SAFE-T-MAILER™

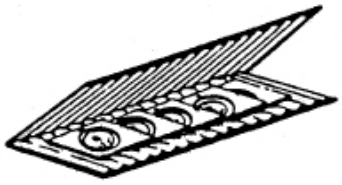
The Original!

The protective mailer with 1001 uses

Safe-T-Mailers™ are a unique way to safely mail small objects. **Safe-T-Mailers™** have been used for more than 25 years to mail coins, jewelry, baseball cards, computer disks, electronic components, pens, buttons, diamonds, slides and all sorts of small delicate objects weighing up to 13 ozs. The **Safe-T-Mailer™** cushions objects and holds them safely in place inside the mailing container.

Inexpensive and Fast
No Stapling! No Peeling! No Taping!

Because of its distinctive design, packing objects for shipment is fast and easy. The two corrugated flaps of the the **Safe-T-Mailer™** have a special adhesive that lets them stick to themselves but not to the objects enclosed. There is no cumbersome taping, peeling or stapling. The time you save in packing more than pays for the mailer itself!



1. Place the *Safe-T-Mailer™* on a flat surface with the adhesive side up. Place mechandise on one flap.

2. Fold flap over along the score line and press the two flaps firmly together.

3 Place the **Safe-T-Mailer™** into an envelope.
